

S-3822A/S

2-ch Simultaneous Battery Charger & Adaptor

S-3822S
for V-Mount

S-3822A
for Gold Mount

Features

- ◆ Portable battery charger
- ◆ 2-ch simultaneous charging
- ◆ 3A charging current per channel
- ◆ LED charging indicators
- ◆ Support AC to 4-pin XLR output

Specifications:

| | |
|---------------------|---------------------------------------------------------|
| Input | 100~240VA, 50/60Hz |
| Power | 136W(Max) |
| Charging Output | DC 16.8V, 3A(Max)×2 |
| Adapting Output | DC 15V, 6A(Max) |
| Working Temperature | 0°C ~ +40°C |
| Working Humidity | 10%~90% |
| Dimension | 228mm×140mm×86mm(S-3822A) 228mm×140mm×120mm(S-3822S) |
| Weight | Appx 1.0kg |

Can charge 2x **V-mount / Gold mount** batteries simultaneously. The charging output is DC **16.8V, 3Ax2**

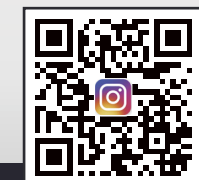

LED indicates the charging status for each channel:
Red: on charging, <100%
Green: charging finished.

AC-DC adapting output via 4-pin XLR female connector. Offer DC **15V, 6A, 90W** output. (will not output when battery is charging)
